

## Attachment in Response to IRS Reject F8962-070

Attention Internal Revenue Service,

I acknowledge that my return was rejected for IRS Reject F8962-070 which is because the IRS has on record that either I, my spouse (if applicable), or another person on my return received advance payments of the Premium Tax Credit during the tax year.

I have contacted the Health Insurance Marketplace by dialing the number \_\_\_\_\_ and spoken to representative (enter representative's name) \_\_\_\_\_. They confirmed that neither myself, my spouse (if applicable), nor any other person listed on my return had Insurance through the Marketplace during the tax year and that I will not be receiving Form 1095-A.

I understand that if I sign this attachment and receive a valid Form 1095-A at a later date or are mistaken about having Form 1095-A for myself, my spouse (if applicable), or any other person listed on my return that my refund could be **reduced or delayed until I submit Form 8962.**
